

## LIQUID WAX CLEANER - Product Information

For the maintenance of wood and cork floors, furniture and other interior wood surfaces, oiled, waxed or varnished.

### Description

The Liquid Wax Cleaner is especially designed for initial cleaning, occasionally refreshing and maintenance of wooden floors treated with Osmo Polyx®- oil the original Hardwax - oil, as well as furniture and other oiled and waxed surfaces in the interior. Also suitable for surfaces made of varnished wood, cork, linoleum, plastic, marble and unglazed tiles (please consider instructions of the manufacturer). The Osmo Liquid Wax Cleaner regenerates and cleans at the same time. It is easy to use and allows a quick and economical application. It is also suitable to easily remove heavy stains.

### Ingredients

Based on natural vegetable waxes (carnauba and candelilla wax), disaromatised white spirit (benzene - free complying with the purity demands of the European Pharmacopoeia).

### Application

Shake well before use. Do not dilute. First clean the wood surface with a cloth, mop or vacuum cleaner as usual. Areas which have been treated with Osmo Polyx®- oil the original Hardwax - oil can be cleaned with a damp cloth (add Osmo Wash and Care to the cleaning water) and wipe dry as usual to avoid moisture penetration into the joints.

### To Remove Heavy Stains:

Apply a small amount on a cloth or a scotch pad and rub the dirty area - for heavier stains use the Osmo polishing pad (very, thin steel wool) or a scotch pad for oak. Wipe off the dirt residues.

### To Maintain:

Apply very thinly on the clean surface. 2 tea spoons will cover approx 1m<sup>2</sup>. Can be polished.

Does not contain biocides or preservatives.

Safe for man, animal and plant when dry.

Suitable for children's toys, EN71, DIN 53 160

### Caution

Flammable. Keep out of the reach of children.

In case of contact with the eyes, rinse immediately with plenty of water.

Provide good ventilation during application.
